

### **Cochrane Home Educators Gym Program**

In order to participate in our gym program, you do need to be a member of Cochrane Home Educators which includes a \$50 registration/insurance fee. Unfortunately, this year we will no longer offer punch passes as we will need to have children registered for gym classes and cannot accept drop ins due to Covid. Hopefully, we will be able to bring back this option in the future. Instead we have broken up our program into two semesters so you can choose to register for only one semester or both. Payment can be made by cheque or etransfer.
