

Archery Season Opener

Arizona's archery deer season opens next week. Some units are no longer open for the over-the-counter archery deer tag, so be sure to [check the regulations](#) before you head out.

If you fill that OTC tag, remember that all archery deer nonpermit-tag hunters must report their deer harvest online at <http://www.azgfd.gov/ArcheryDeerReport> or by telephone at 623-236-7961 within 48 hours of taking a deer.

Youth Camp Updates

We are less than two months away from our Unit 23 Youth Deer and Cow Elk Camp. If you know a hunter who drew a Junior Deer or Junior Cow Elk tag for Unit 23, we would love to have them join us October 9-12 at the [Colcord Ridge Campground](#).

[Click here to register for the Unit 23 Camp.](#)

Thanks to the generosity of our members, banquet attendees and raffle supporters, this event is free to attend! We have also received financial support from organizations like [Arizona Sportsmen for Wildlife Conservation](#) and [Wildlife for Tomorrow](#) to make these camps possible.

The camp provides meals, drinks and snacks for hunters and their families. We can also provide a mentor for those who need some help in the field.

The camp is a great centralized meeting place for kids to meet other young hunters and share stories around the campfire.

The Tonto National Forest has been very supportive of this camp, and we thank them for all their help over the years!

Our friends at the Buckskin Chapter have a camp scheduled for youth tag holders in 12A, also from October 9-12. Registration is scheduled to open for that camp on September 1. We will keep you informed here if there are any changes to the camp due to the wildfires on the Kaibab Plateau.
