

Another Youth Camp in the Books!

Conditions for this year's Unit 23 Youth Deer and Cow Elk Camp were challenging to say the least! The rain started early and rarely let up throughout the weekend.

All that rain could not dampen the spirit of this year's young hunters, though! It would have been very easy to complain and make excuses, but this group kept smiling and kept plugging along.

Congratulations to all the hunters who were able to fill their tags and thanks to every camper who let us be a part of their hunting experience.

Pictures of this year's camp (many of them supplied by the hunters and their families) can be [found on our website](#).

Youth Camp Thanks

We served several hundred meals at the Unit 23 Camp over the weekend. Breakfast burritos, hot dogs, hamburgers, snacks, hot chocolate and soft drinks were all provided free of charge thanks to the generosity of our members, banquet supporters and raffle ticket buyers.

We are also thankful to [Arizona Sportsmen for Wildlife Conservation](#) for their financial grant that helped make this year's camp possible.

The Arizona Game and Fish Department's [Local Sportsmen's Group Grant Program](#) also provided financial assistance this year.

Thank you for making our youth camps possible and we are already looking forward to next year!

Buckskin Chapter Kaibab Camp

Our friends at the Buckskin Chapter of the Arizona Deer Association also battled the rain for their Kaibab Youth Camp. To see more pictures from this event, visit their [Facebook page by clicking here](#).
