116/22	First Open Session Concern was expressed about the dog poo being left on pavements. Cllr Salter will contact the Dog Warden for new posters. The stile on the footpath towards Fiskerton is very difficult to use. Members of the public have reported this to the County Council Highways and the Chair encouraged them to follow up if the situation wasn't rectified. District Council Cllr Blaney was asked by a member of the public about the transparency of NSDC procedures relating to their transfer of land off The Greenaway in Rolleston to Arkwood Developments Limited. Cllr Blaney explained the background to Arkwood Developments Limited (a company wholly owned by NSDC) and the rationale for having a specialist company responsible for the development of some of the District Council's land holdings. He explained the compliance requirements involved in ensuring that land was transferred at market value, and the independent legal checks which NSDC were obliged to obtain on all transfers such as this, and which he advised had been met. Cllr Blaney referred the member of the public to NSDC on-line complaints procedure if they remained concerned.	CS
