

ROLLESTON CRIER

August 2006 edition

HELP SAVE OUR TIP

Nottinghamshire County Council has now embarked on a public engagement exercise involving users of the site, Focus Groups, District and Parish Councils. Many of you may have already received, either by e-mail or post, information provided NCC regarding this site and also a questionnaire for you to complete. **This questionnaire needs to be returned by the end of August.**

Please can we urge everyone who uses this waste recycling centre to complete and return the questionnaire.

We must keep the pressure on. If you have not received this questionnaire and would like to complete one, please contact any of your Parish Councillors and they will help you to do this.

FOOTPATHS

It has now been confirmed that Rolleston is part of the P3 scheme.

This means that the Parish is now responsible for organising the work that needs to be carried out to maintain our footpaths.

As you can imagine this is going to be a huge undertaking for one person. Therefore, we would like to set up a Footpath Team. If anyone is interested in finding out what this would entail please speak to either Peter Bowman, Frank Blacklock or contact our Parish Clerk, Cheryl Warwick

Our 2 Acres

This is the land adjacent to the village hall. Very shortly it will be seeded with grass. The PC decided that this should be carried out as soon as possible. A consultation process will take place either towards the end of the year or early next year to decide the best use of this land for the village.

The Crier

You may remember from the last edition that Peter Bowman will unfortunately no longer be writing the Rolleston Crier. However, the Crier will continue as the official method for the Parish Council to keep villagers informed. As always it will contain the main PC news and village event dates, circulated every three months.
