1. Fill Out the Questionnaire

Complete our pre-adoption questionnaire before we arrange a Meet & Greet with your potential new kitty.

2. Video Home Inspection

To ensure your kitty will be safe and comfortable, we require a short video home inspection. These videos are for internal review only and help us make sure everything is ready for your new family member.

Meet & Greet

Once your questionnaire and home inspection are complete, we'll connect you with the kitty's foster carer to arrange a Meet & Greet at their home. It's the purrfect opportunity to see if you and your future furry friend are a match!

Before scheduling, please make sure you're truly ready to welcome a kitty into your life. Our foster carers put a huge amount of love, time, and effort into their cats, and we want to avoid unnecessary disappointment. Take a moment to consider your lifestyle, responsibilities, finances, and the long-term commitment of pet ownership. If you're confident about adopting and providing a forever home, we'd be delighted to set up your Meet & Greet!

Adopt & Pay Adoption Fees

Excited to make it official? Wonderful! 🎉

To finalise the adoption, you'll need to pay the adoption fee and lifetime registration fee via bank transfer, then provide us with the remittance for our records.

Make a Donation

Did you know Kittie Kat Rescue Inc. is funded entirely by donations? We receive no government support, and without the generosity of the community, we simply couldn't save cats like your new furry family member. If you're able, please consider making a tax-deductible donation alongside your adoption fee. Every dollar helps us rescue, care for, and rehome more cats in need. A tax receipt will be provided.

Time to Take Your Kitty Home

Once your KKR Inc. contact confirms everything is in order and gives the go-ahead to your foster carer, you'll be ready to welcome the newest member of your family into their forever home. 🏡❤️

Adoption Agreement & Change of Ownership

We'll send you an Adoption Agreement and a Change of Ownership form to sign electronically for your new kitty.

👉 Please note: For kittens who are still due for their 2nd or 3rd vaccination, the Change of Ownership form will only be sent once KKR Inc. has received proof of vaccination.
