

WHEREAS the Board of Directors of the Haile Village Center Owners Association is charged by the Association's documents to hold elections by the membership, and

WHEREAS the Board desires to ensure that all members of the community have the same information, guidelines, and procedures, and

WHEREAS time is of the essence a Special Meeting was called by the President under Article 6 of the BYLAWS and the Board of Directors hereby **RESOLVES** and:

ADOPTS the following as the written Election Procedures of Haile Village Center Owners Association as developed by the Board:

The Board added an online voting option for owners to make sure every owner has an opportunity to vote, even if they live elsewhere.

The Board elects to follow the docs and adopt the following Election Procedures for the 2026 election, whereas the Declaration allocates votes to each unit as the percentage of square footage of a unit to the total square footage.

The total square footage used for the 2026 election is 587,514. A Unit's allocated vote will be the percentage of that Unit's square footage to the 587,514.

A parcel's heated/cooled square footage, as published on the Alachua County Property Appraiser, is used to determine parcel voting allocations. Vacant lot owners receive 0 square feet; prior management assigned vacant lot owners 1500 sf each. This practice will not continue. Every owner is encouraged to review the parcel data used for voting. A copy of all Haile Village Center Owners Association, Inc. parcel sizes is posted in the management office. Each owner is responsible for verifying the accuracy of the parcel size information prior to the start of the Annual Meeting.

Voting certificates are required for units owned by multiple owners and by entities. Consent to Electronic Voting forms may be signed by all owners who wish to consent to online voting. The vendor may also provide a mandatory upfront e-consent on behalf of the Association.

The Elections Committee Process is as Follows:

Online voter reports will be provided by the CAM to the Election Committee in advance of the annual meeting. This report will show which parcels have successfully voted online. (And which parcels **may note vote on paper-again**- when counting begins on the date of the annual meeting.) Online Ballots Supersede Paper Ballots. The first report will be reviewed by the Elections Committee; the information will be documented on each committee members' personal owner roster under "Voted Online." Each Committee member will document the date the parcel Voted Online on the owner roster.

The Committee Chair will announce the parcel and SF that they documented; Each committee member will verify their own documented answer. Any discrepancies will be resolved before moving on. (All committee members must agree on the information documented on their own sheet -and theirs will match all others- before certifying the election on January 30th.)

Since Owners may vote through the date of the annual meeting, this process will repeat as needed, or as deemed necessary by the committee.

The Final "Owners who Voted Online" Report will be Pulled on the date of the annual meeting. The Committee will ensure that all online voters have been documented on their individual Owner Roster.

To Prevent Duplicate Ballots or Votes: No Paper Ballots may be Opened Prior to the start of the annual meeting because Owners may Vote Online through the start of the Meeting.

The final Tally from the Online Voting Report (with Results) will not require any edits due to a *paper ballot (duplicate)* because No Paper Ballots may be Opened Prior to the start of the meeting.

To speed up the counting process prior to the scheduled Annual Meeting counting, CAM will label each ballot envelope with the page number on the owner parcel report to find the parcel and the SF of the parcel in advance of counting to begin (at the start of the annual meeting).

Each Committee member will be able to quickly verify the information- or identify an error. **Each committee member will verify their results independently and then as a group to certify the election results.**

DATE OF THE ANNUAL MEETING: TIME TO VERIFY PAPER BALLOTS

- A. **Verify this parcel has not already voted online. *If they have already voted online, the paper ballot is placed in the Invalid Box.**
- B. **THE ENVELOPE WHICH IDENTIFIES AN OWNERS' IDENTITY MUST BE SIGNED:** IF THE ENVELOPE IS SIGNED, THE SQUARE FOOTAGE (VOTE WEIGHT) MUST BE WRITTEN ON THAT ENVELOPE BY ELECTION COMMITTEE MEMBER #1.

INDEPENDENTLY, COMMITTEE MEMBERS 2, 3, and 4 will also do the same thing and mark their owner sheet to indicate a paper ballot was received.
- D. Also-Verifying name and address match owner roster; renters may note vote.
- E. ALL OF THE **VALID BALLOTS** GO IN A BOX LABELLED VALID BALLOTS.
- F. THIS PROCESS CONTINUES UNTIL ALL ENVELOPES HAVE BEEN VERIFIED.

- 3. ELECTION COMMITTEE MEMBER WENDY LAPOINTE WILL OVERSEE AND PARTICIPATE IN THIS PROCESS VIA ZOOM.

4. WHEN THIS PROCESS IS COMPLETE, THE TALLY SHEETS WILL BE COMPARED. IF THEY MATCH, THE VOTES WILL BE COUNTED BY EACH ELECTION COMMITTEE MEMBER. IF THE TOTALS MATCH, **BOTH SHEETS (WITH MATCHING TOTALS) WILL BE PROVIDED TO THE CAM.**
5. **ALL QUESTIONS REGARDING THE COUNTING OF PAPER BALLOTS WILL BE DIRECTED TO THE ASSOCIATION ATTORNEY.**

When owners show up to attend the Annual Meeting, ask them to Sign In. If they have not voted online, they may cast a paper ballot. If they have voted online, they can also provide a paper ballot (do not refuse it), however it will be placed in the invalid box.

Heated/Cooled Square Feet is the vote allocation as published by the Property Appraiser, relative to the entire square footage of the association. A copy is published on the bulletin board in the management office.

If any step was missed or has an error in being outlined, the Election Committee must advise CAM during the process and before the election results are certified.
