OVERVIEW

Liqueurs & Spirits

The Bitter Truth Liqueurs & Spirits come in a wide range of flavors, no matter if you are looking for a classic type, a new interpretation of the well known, or simply for the hard to find sort of liqueur or spirit that hasn`t been made for many years. It`s right here and waiting for you!

LIQUEURS & SPIRITS

Apricot Liqueur

PRODUCT INFORMATION: 750 ml, 22% abv, 44 proof

Sweet and fruity. The aroma of ripe apricots is dominant. In the background, a hint of almond from the apricot pit is noticeable.

Elderflower Liqueur

PRODUCT INFORMATION: 750 ml, 22% abv, 44 proof

This liqueur, which has a luminous golden color and a fresh, rich bouquet, offers a great variety of flavors. Dominated by elderflowers, complemented by spicy aromas of honey and fruity notes of quince and grape.

Golden Falernum

PRODUCT INFORMATION: 750 ml, 18% abv, 36 proof

This rum-based liqueur is rich and complex in flavor. Spicy ginger with clove and a hint of vanilla. On the palate, a more subtle ginger, followed by almond and vanilla. An allspice tingle on the tongue develops into a long finish with a zest of lime.

Pimento Dram

PRODUCT INFORMATION: 750 ml, 22% abv, 44 proof

Sweet, spicy, and very intense. Clove initially presents itself in the foreground, fading into the pure flavors of cinnamon, nutmeg, and pepper which linger on the tongue.

Violet Liqueur

PRODUCT INFORMATION: 750 ml, 22% abv, 44 proof

The scent of parma violets dominates this floral liqueur, complemented by hints of wild berries and vanilla.

Pink Gin

PRODUCT INFORMATION: 750 ml, 40% abv, 80 proof

Complex fruity and floral aromas dominate the nose of this flavored gin. The taste is smooth with distinctive flavors of juniper berries in the foreground surrounded by spicy flavors of licorice, caraway, and fennel.

MARASKA

The Crown Jewel of your Cocktail

Maraska Maraschino Cocktail Cherries

Estate Grown Cherries from Maraska's Own Cherry Grove in Croatia

The cherries originate from the Dalmatian Coast in Croatia from Maraska's own cherry grove of over 100,000 cherry trees. These marasca cocktail cherries are candied and jarred in marasca sour cherry syrup. The cherries are all-natural, pitted, dark in color and have no artificial ingredients. Large, sweet and with just the right texture, these cherries make a superior garnish designed specifically for today's premium cocktails. Upgrade all your cocktail with a Maraska Cocktail Cherry garnish.

HELIX7

VODKA SEVEN • SEPT • SJÖ

WE SOURCE THE HIGHEST QUALITY WHEAT FROM THE CHAMPAGNE REGION OF FRANCE.

THERE, IT IS COLUMN DISTILLED A MINIMUM 7 TIMES.

This premium spirit then travels to Iceland, where it's carbon filtered and blended with Icelandic water.

ICELANDIC WATER HAS A VERY LOW MINERAL CONTENT AND A *HIGH ALKALINE LEVEL,* WHICH ENSURES A CLEAN CRISP TASTE TO THE END PRODUCT, with a ph level of 7.4.

This unparalleled blend of high-quality spirit from France, mixed with the high alkaline levels from the Icelandic water, together, creates the DNA of this ultra premium vodka. This is also the inspiration of the name HELIX, which is the name of the spiral in a DNA thread.

According to Nordic mythology, the tree of life - aka Askur Yggdrasil - stretches to all corners of the world. To make this truly unique and crispy London dry gin, we travelled the world to source a spirit from the Champagne region of France, and a gin distillate made with Balkan Junipers, Polish Coriander, French Angelica, Spanish Citrus, Mediterranean Liquorice and Chinese Cassia combined with pure Icelandic spring water. we have created this truly unique and crispy London dry gin.

Fully reusable secondary packaging.Our 1 liter boxes and interleaves are reusable as coasters. Our 750ml boxes and interleaves are reusable as display cards and coasters. All packaging is also fully recyclable. We have filed a patent protection on our secondary packaging concept.

THE PROCESS

BASE SPIRITS: The base spirit is made from the highest quality wheat from the champagne region of France. Where it is column distilled minimum seven times.

GINDISTILLATE:Wethenhandselectsixbotanicalsfromaroundtheworldthat aredistilledintheUK to createaverycleantastingdistillateforour Londondry Gin.

THE WATER: Blended with pure Icelandic water which is very low in minerals and high in PH allows the character of our distillates to flourish.

THE FINISH: Our base spirit is carbon filtered and then blended with Gin distillate which is rectified together in our Icelandic facility and then finished off by blending it with Icelandic water.

GINNY GRENADINE

INGREDIENTS:

1 ½ Oz Askur Gin
