

The BITTER TRUTH

APRICOT LIQUEUR

A FRESH UND DELICATE FRUIT LIQUEUR

The Bitter Truth Apricot Liqueur combines the juice of sun-ripened apricots with an apricot schnapps that was distilled from the same fruit and just the right amount of sugar.

Imagine fresh, plump, dewy, yellow-skinned apricots. This apricot liqueur has a sweet lightness from the juice and a smidgen of almond on the nose. While on the palate, a creamy dried apricot flavor cuts in first, interrupted by the caramel biscotti mid-palate and rounding off with hot stewed apricots once more.

The distinctive fruitiness and reduced sugar content of The Bitter Truth Apricot Liqueur are captivating. It is expressive and indispensable in many classic and modern cocktail recipes. Tantalize your taste buds and mix it with wine or champagne, in a cocktail or over ice, and it'll be just what the doctor ordered.

TASTING NOTES

Sweet and fruity. The aroma of ripe apricots is dominant. In the background, a hint of almond from the apricot pit is noticeable.
