### About Rebuilding Together Houston

Rebuilding Together Houston is a recognized leader in single-family, affordable housing repair and a key partner in community revitalization, impacting the lives of thousands of local families each year. In over 37 years of service, the organization has reinvested more than \$120 million of value in affordable housing throughout Harris County, Texas. Together, with our volunteers, licensed contractors, corporate supporters, and community partners, we repair homes, revitalize communities, and rebuild lives. We strive toward the goal of safe homes and communities for everyone. For more information about Rebuilding Together Houston visit [rebuildinghouston.org](http://rebuildinghouston.org) or @RebuildingTogetherHouston on Facebook and Instagram; @RebuildingHou on Twitter.
