## WHAT WE DO FOR OUR COMMERCIAL CLIENTS

### **ASPHALT PAVING**

Full-depth commercial asphalt paving for new parking lots, roadways, and high-traffic drive lanes.

### **PARKING LOT MAINTENANCE**

Ongoing maintenance programs including sealcoating, crack filling, and routine inspections to extend pavement life.

### **ASPHALT REPAIR & PATCHING**

### **SEALCOATING**

Pothole repair, cut-and-patch, and structural asphalt repairs that fix the problem at the root – not just the surface.

Professional sealcoating that protects asphalt from UV damage, fuel spills, and water intrusion – keeping lots looking new.

### **ASPHALT MILLING & OVERLAY**

Cost-effective milling and resurfacing that restores worn pavement without the expense of full replacement.

### **ADA STRIPING & COMPLIANCE**

Parking lot striping and ADA-compliant marking to keep your property accessible, safe, and up to code.
