

ZOO NEW YORK

Discovery Days

SUMMER CAMP SESSIONS

Learn with our zookeepers!

The GREEN dates are for ages 6-9. The ORANGE dates are for ages 10-12.

July 1st & July 8th - Pollinator Pals

Be it bees, butterflies, birds, or bats, pollinators are an important part of any ecosystem. Join us as we discover how pollinators help plants grow and keep ecosystems healthy, while also learning how to help our own local pollinators.

July 15th & July 22nd - Amazing Animal Abilities

Hide, climb, fly, survive! Dive into the many ways animals endure, thrive, and show off their superpowers in the wild. From sneaky camouflage and speedy sprints to jaw-dropping tricks and record-breaking dives, learn how animals adapt to their environments and become the best of the best.

July 29th & August 5th - Rock & Roar

Step back in time and stomp into a world ruled by dinosaurs! Discover how fossils are formed and what they can tell us. What does it mean to be extinct, and could something ever come back from extinction?

August 12th & August 19th - Creature Careers

Do you have a passion for animals? Spend the day with us as we explore careers that feature animals! Whether it's caring for, training, studying, or conserving them, there are plenty of ways to make animals the highlight of your workday.

Camp runs from 10 AM - 4 PM. Drop off between 9:30 - 10 AM. Pick-up between 4 - 4:30 PM. Additional \$10 for early drop-off or late pick-up if needed. Students will get a souvenir water bottle and snack. We offer a lunch special (1 slice of pizza, one snack bag, one fruit) for \$5. Add another slice of pizza for \$2.50.

Payment can be taken in person at the zoo or by calling the front desk with your credit card information. Fill out a registration form on zoonewyork.org.

\$40/day for Members

\$50/day for Non Members

\$5 Sibling Discount Available
