What I NEED per PARKING Shift

3 - Adult

10 + Participants

If you have friends who NEED or WANT COMMUNITY HOURS, let me know.
If you have a friend who just wants to hang out with you, this is not what this is about.
We do this ONE fundraiser each year. I put in over 50 hours personally for this event.
I am asking you for whatever you can give. Shifts are longer this year, but I think it
will be more efficient for us all.

I WILL ASSIGN PEOPLE AS NEEDED FOR DIFFERENT JOBS.

Let me know when you are available and I will use you!

MORE PEOPLE AVAILABLE MEANS LESS WORK FOR ALL
