

EFFC Membership News - The Next Meeting is September 22, 2026

September Program - Rachael Doniger, Everett Fire Department

Our speaker will be Rachael Doniger, Public Information Officer & Outreach with the Everett Fire Department. Rachel will be teaching us the ACT First Aid and CPR Training Course.

ACT To Save a Life is a one-hour first aid class that focuses on three skills you can use to save a life in the first few minutes of an emergency:

- Antidote (Narcan) for suspected opiate overdoses
- CPR and AED training for cardiac arrest
- Tourniquet for severe bleeding control

NOTE: This is not a certification course. The ACT curriculum follows industry standards; however, we still encourage everyone to take a full CPR & First Aid course.

This class is extremely popular and has been requested from several of our members. What a great way to learn how to save a life while hanging out with your fly fishing buddies.

2026 Annual Auction and Christmas Gala

Important reminders!

- Doors open at 1:00 pm and close at 6:00 pm
- The donation cutoff date is October 27th, the last general club meeting of the year
- The deadline for ticket sales is November 21st

Why are your donations are important?

Did you know that your donations and bids not only support fish enhancement projects such as releasing big fish into local lakes and supporting Evergreen Fly Fishing Club activities. The proceeds from this year's auction will be used to support the Evergreen Fly Fishing Club's efforts to promote conservation and the sport of fly fishing within our community.

In the past, this has resulted in our being able to provide financial support to organizations such as the Coastal Cutthroat Coalition, the Osprey Newsletter, and Project Healing Waters as well as provide assistance in rehabilitation of important fly fishing waters. We have also been able to lend support to Sound Salmon Solution's

Salmon in the Schools projects in local elementary schools as well as their Salish Scientists summer camp for local 4th through 8th graders.

Other recipients of your generosity have included the Everett Community College ORCA program, the Mayfly Project, which promotes our sport in the foster child community, and the Washington State Youth Conservation Camp by providing funding for several campers each year. As you submit your bids, please remember that none of this would be possible without your continued generosity and support of our annual fund raising auction

More donations are needed, so please bring them to an upcoming meeting. *Donations are not accepted the day of the gala.* The one exception is perishable items, but please notify the auction committee ahead of time.

We are also in need of non-fishing and holiday related donations to provide a wide variety of items of interest to all guests. Of course cash donations are welcomed and our auction committee will use the money to purchase new items to be auctioned off.

You will find CASH DONATION bags at each table during the general meeting (no pennies please!!!) or you can always donate cash or check to the Treasurer Tom Freeburg indicating that you want your donation to go towards the Auction.

Reminder: Big Twin Outing - October 2-4

Don't forget about this outing coming up! Many members will be staying at the Big Twin campground near Winthrop, as well as other local lodging, to take advantage of the excelling stillwater fishing opportunities in the area.

Want to get real-time fishing reports and plan your next fishing trip?

For those already using WhatsApp, you were able to see some great fishing reports for August.

Contest Fly of the Month - Coho Patterns for Rivers

Coho are heading into our local rivers so tie up your favorite pattern for fall salmon and be in the running for a $25 Cabela's gift card.

Don't forget to report your fish…

Club members can win rewards (such as gift cards) in a variety of categories each year. Be sure to make note of your nicest fish and report them to Bret Livingston, the Awards Chair.
