

17 SDGs Journal

OUR COMPANY

To educate, bring awareness, and promote behavioral change related to conducting business and business relationships in a more humane manner. Our partnering organizations: UNA-USA, SPSC, addresses the 17 SDGs, energy and environmental issues, advances within technology, sustainability, social and civic justice, climate change, economic & community development. Also, we focus on enrichment initiatives on a local and global scale.

THE INITIATIVES 2017-2018

- Carolina Tri-Mex Journal
- Maryland Tri-Mex Journal
- DW Communications & Media has been proudly serving communities in Maryland, Virginia, Washington Metropolitan area, North Carolina, South Carolina, and Georgia, since 2007. In 2015, we expanded our youth energy & environment educational program to include international studies, in an effort to bring awareness and understanding of advances in technology as well as global issues.
