---

**Dr. Alyse Jordan**  
**BIODATA**

Dr. Alyse Jordan is a prominent thought leader in higher education, known for her diverse research interests that encompass artificial intelligence, mentorship, cultural literacy, talent development, and women's studies. She is dedicated to fostering collaborative decision-making and empowering individuals to reach their full potential. Dr. Jordan consistently seeks growth opportunities, having participated in esteemed programs such as the Blockchain Council Certified Generative AI and Prompt Engineering, and the Harvard Institutes for Higher Education. She earned her bachelor's degree in political science from Florida State University, a Specialist Degree in Library Science, and two master's degrees in information studies and religion. She completed her Doctor of Education in Organizational Leadership at Nova Southeastern University. Beyond her academic endeavors, Alyse is actively engaged in community organizations, including the National Council of Negro Women and Rotary International.
