Did you hear the one about the man who put a clean pair of socks on every day?

No, what happened?

Living Our Best Us!

We Appreciate Your Help!

Thank you to all of our stupendous families for getting back to us so quickly with the forms for vaccinations.

We are striving to stay ahead of the game and getting our Flu shots was a big one. In the month of October, we shall receive our Covid Boosters. We are still getting all our ducks in a row. Having all your e-mails and phone record updates is a HUGE priority and all have been very gracious in helping.

Try Making A New Fun Day

We celebrate all the things those everyday folks seem to pass over or who have just outgrown the days of yesteryears. From Alice & the Mad Hatter to today is Taco Tuesday, life is about choices. I choose to keep life interesting, fun and worth enjoying. I take great pride in sharing these days with the Fantabulous Folks here at Norbert's.

****If You Have Any Off The Top Of Your Head Ideas,**
PLEASE Feel Free To Share. I might just take you up on it!
