APRIL 2021

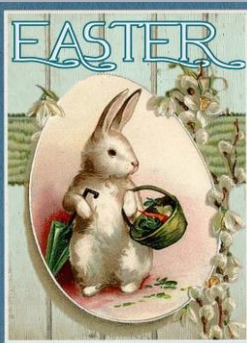

APRIL SHOWERS BRING MAY FLOWERS... SO, WHAT DID THE MAYFLOWER BRING? PILGRAMS!

With BEAUTIFUL weather blowing on through, we have been able to go outside, enjoy the warm breeze and sunny skies and fresh air.

We go out onto the 2C porch section of the building and talk, relax, play Bingo, play cards and the residents just learned how to play Apples to Apples!

We are still lucky enough to have Pastor Dave do prayer and church hymns services via Google-Duo on the Activities Big T.V., Pastor does this every other Friday morning with us.

Our residents are "Springing" out from their rooms and the winter dull drums seem to be slowly melting away. We miss and love our families tremendously and are anticipating indoor visitations soon. The Easter Bunny got his vaccinations, so he is set and ready to come for our lovely folks!

Visitations In Person Or Via FaceTime/Google-Duo

If you have an e-mail, iPad, iPhone, tablet or can text me, I can schedule with you for Saturdays to visit in person at the 2C Glass Door Entry area. After you get to the doors, we will let you in. You will sit on one side of the glass doors in the foyer area, (it is heated). The resident's sit on the other side of the glass common area. We have a speakerphone set. It is great to see each other in person!

If you need to do a FaceTime or Google-Duo, I can try scheduling those around their mealtimes and activities.

We are very close to being able to have scheduled Indoor Visitations. That will be announced thru the Facility's Administration. Fingers crossed for April.

FAMILIES, HELP US HELP THEM

PLEASE send us in Body-Washes, Shampoos, Deodorants, Powders & Tissues. These items are not covered by the facility. Thank you for helping us with the care of your loved ones with these needs.
