Visitations In Person Or Via FaceTime/Google-Duo

Have an e-mail, iPad, iPhone, or tablet? Message me. I can schedule you to visit in person with **PRIOR PROOF** of Vaccinations. Look for the **SUNSHINE & CAR SIGN** by our lower lot. It will lead you to the location. If you're **NOT** vaccinated, we can still schedule 2C Glass Door Speaker Visitations. You will sit on one side of the glass doors in the foyer area, (it is heated). The resident's sit on the other side of the glass common area. We have a speakerphone set. If you need to FaceTime or Google-Duo, I can try scheduling those around their mealtimes and activities.
