

FOR IMMEDIATE RELEASE

Arthur Machinery-Florida & Jacore Technologies

Tampa, Florida: (June 2018) Robert Arthur and Jay Corman have combined their two companies, Arthur Machinery-Florida and Jacore Technologies to offer products and services to their customers. Robert and Jay have over 25 years' experience servicing the Florida & Puerto Rico markets.

Arthur & Jacore continue to sell & service Chevalier CNC Turning, CNC Milling and Grinding machines.

Arthur & Jacore installs new Chevalier machines, provides warranty and out-of-warranty service for new and existing Chevalier machines in the Florida and Puerto Rico markets.

Also they sell the CNC products from Absolute Machine Tools: Johnford, AccuteX, Nexturn, QuickTech, Lico, TongTai, You-Ji.

Jacore Technologies offers Markforged 3-D Printing: Print strong usable 3D parts using Carbon Fiber, Fiberglass, HSHT Fiberglass and Kevlar. Metal 3D Printing is available with Stainless Steel.

Arthur & Jacore will continue to represent Acra Machinery, Jet-Elite, Scotchman, DoAll, Hem Saw, Amada saws, Supertec grinders, South Bend Lathe and Techno CNC Routers & Plasma machines.
