DOGS ELIGIBLE TO ENTER TRIALS

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete.

Wherever the word "dog" is used in these regulations it includes both sexes.

AKC REGULAR HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division	Handlers must run their dog in their proper eligible height	Owners are responsible for entering their dog in the proper height divisions.
8 inches	4 inches	11" & under at withers
12 inches	8 inches	14" & under at withers
16 inches	12 inches	18" & under at withers
20 inches	16 inches	22" & under at withers
24 inches	20 inches	Over 22" at withers
Jump Heights		
All AKC heights will be offered, except for 24C. Dogs may enter their regular AKC jump heights or may choose to run in their FCI height category. Dogs entered in their regular AKC Preferred height category will be scored with dogs running in the corresponding Regular height. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.		

Measuring and Height Card Information:

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

ISC INFORMATION

Purpose:

The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various international style Standard and Jumpers With Weaves courses. The rules for This class are generally based on international rules. The variety in international agility Course designs is very diverse, so handlers should be prepared to meet the "Challenge Of The Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in excellent / master Class. Complete rules for the ISC are available from the AKC website (<http://www.akc.org>).

Eligibility:

This cup is open to dogs that are eligible to compete in AKC agility trials. Dogs may be entered in their Regular or Preferred jump height. However, there is no Preferred option for ISC; dogs entering in the Preferred jump height will be scored against their respective regular jump heights peers. Grade 3, 2, and 1 classes will be offered and available for entry for all competitors. (Grade 3 classes are the usual ISC Master level classes, Grade 2 is the Open, and Grade 1 is the Novice level ISC class.)

Jump heights:

Dogs may be entered in their regular jump heights. However, the FCI/ISC cutoffs for those heights are as follows:

- 12" - Small team – shoulder height = 13 3/4" or less (35 cm is the FCI cutoff)
- 16" - Medium team – shoulder height = 16 7/8" or less (43 cm is the FCI cutoff)
- 20" - Intermediate team – shoulder height = 18 7/8" or less (48 cm is the FCI cutoff)
- 24" - Large team – shoulder height = greater than 18 7/8" (greater than 48 cm)

Qualifications:

Clean run scores from ISC classes may be used toward fulfilling the minimum requirements for *WTT/EOTT. A "clean run" consists of a run without time or course faults. These legs must be earned at your FCI height. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class.

*As of January 2023, ISC A1 and J1 clean runs do NOT count toward WTT entry requirements – only ISC A2/J2 and J3/A3. All grades may be used for EOTT.

Please review the AKC European Open Team USA and AKC/USA World Team Tryout rules for further details.

FEO & FIX AND GO ON

Entering For Exhibition Only (FEO):

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in ISC will be 45 seconds.
- Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring. A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On:

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. It allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
