## Helpers

We depend on volunteers to make this a well-run trial. There will be a sign-up board on site.  Thank you in advance for all your help.

## Checking In

You do not need to check in unless you need to be measured and/or owe entry fees. All entry fees must be paid prior to running your first class. Failure to pay prior to running may jeopardize your results. **All competitors in each class must check in at the gate** by checking off their name on the call sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

## Measuring

Measuring will be done when the judge is available between 7am and 7:45am. It is the handler's responsibility to know if your dog needs to be measured in accordance with UKI Rules and Regulations. It is also the handler's responsibility to provide the judge/measuring assistant with all information required to have the dog's height properly recorded. This includes Handler Name, UKI Handler Number, Dog Name, UKI Dog Number and anticipated jump height. Please have this information available prior to having your dog measured.  A dog needs one measurement before age 2 and one measurement after age 2.

## Food Services

Sorry, there will be no food provided on site. Please plan accordingly.

## Day of Show Entries

Will ONLY be accepted on Sunday June 9th. The Entry fee is $20/class/dog for regular runs and $40/dog for Master Series.

## Leash Running

In UKI you can either leave your leash at the finish or have it leash-run to the finish. You CANNOT put it in your pocket or wrap it around your body in any way.
