LIFE IS SHORT

If you do everything right—avoiding all illnesses, accidents and assaults—a human ‘may’ to live up to 120 years. For the rest of us, the average life expectancy is 72 years. (James 4:13-17)

ETERNITY IS LONG

Like ∞ (infinity) describes, when you get to the end of the line, eternity has barely started. (Ecclesiastes 3:11)

SIN IS DEADLY

The payment, or consequence, for sin is death—an eternity spent away from God. (Romans 3:23)

HELL IS CERTAIN

The Bible is clear—Hell is a real, physical location with an entrance—but no exit. (Matthew 8:12; Luke 16:26)

JESUS CAN BE YOURS

BUT GOD. The Bible says that God loved us so much that He could not let our sin have the last word. He came in the form of a man—Jesus—to pay your and my sin debt so we can be saved. (Romans 6:23)

If you are asking,
"How can I be saved?"

Simply follow the Romans Road and pray this:

Dear God:

† **I Admit** That I Am a Sinner and the result of my sin is death away from Christ and away from Heaven. (Romans* 3:23)

† **I Believe** in my Heart That Jesus Christ is LORD and that HE alone can save me from my sins. (Romans 5:6-8; 6:23)

† **I Confess** My Faith in Jesus as my Saviour, and I live for Him. The Bible says I am a new creation (Romans 10:9-10, 13; 8:1-2)

† **I Will Live Out My Faith** by reading my Bible, finding a church body where I can grow and serve, and telling others what I have learned. (Romans 10:15; 12:1-2; 14:10-13)

† **I will live with Expectation of the Day** when I will see Jesus Face to Face (Romans 8:35-36).

Amen.
