## Are You On The Right Road?

**While traveling the highways and byways** you can expect many detours and lane changes. Some minor **re-routes** will have little impact on your trip; others may take you far off your planned course. As we go, it's essential to have a map to give you a clear sense of the directions to your destination, and the right tools like a GPS or a *Navigator* to guide you.

**In the Bible** Jesus described a major fork in the road of life – the broad and the narrow roads.

**Jesus said:** “Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it.” (Matthew 7:13-14 NKJV)

**The most important choice** you will ever make is about Jesus Christ and His Kingdom. It's a choice that will determine the road to your **ETERNAL DESTINATION**.
