HAVE YOU RENEWED YOUR MEMBERSHIP?

Thank you for your previous commitment to the Friends of the Library and our local library system. Friends of the Library memberships follow the calendar year and are renewable each January.

For your convenience, we have listed below your prior membership contributions to the nonprofit 501(c)3 Friends of the Library. If you have already renewed in 2026, we thank you!

You can return your donation in the enclosed envelope or drop off at any library or the bookstore. You may also join online at dhcls.org/friends.

You can even choose to auto-renew each year! For membership questions email memberships.fol@gmail.com.

For nearly a decade, local small business owner Scott Gamble has turned his Big Book Sale purchases into meaningful support for the Friends of the Library. He resells items from our sales and generously donates 10% of the resulting profits back to the Friends.

Scott hopes to inspire other small business owners to do the same—showing even a small percentage can make a big difference.

Small give. Big impact.
