

Road Closure

Cranbrook High St.

We have been given notice, from 19th October 2020 for two weeks, Cranbrook High Street will be closed to through traffic between St. Damians and Cranehurst.

Throughout this closure, Service 297 will not serve Cranbrook High Street, instead running via Waterloo Road & Angley Road, turning around at the War Memorial to serve the other end of Cranbrook. The bus will then return along the normal route in either direction.

We are sorry for the delays this could cause, but the closure is beyond our control.
