

Road Closure – Rye Road, Hawkhurst

From 17th June 2019 until the end of the summer term, Rye Road, Hawkhurst will be closed to through traffic.

In order to maintain as normal service as possible, we shall be operating Service 292,293,299 and closed door school contracts via: Bodiam Road, Main Road and the B2244 to The Moor, Hawkhurst and re-join the main road where normal routings shall resume.

Service 267/268 will have separate arrangements. The 267 will start from Benenden and all passengers will have to make their own way to the bus. The 268 will start from Hawkhurst, British Legion Bus Stop, then turn left and run via the A229. Both services will meet at Cranbrook to exchange passengers for the correct onward journey.

We apologise for the above inconvenience this will cause, but this beyond our operational control.
