**LIFE MINISTRIES GLOBAL**

**<http://www.lifeministriesglobal.org/>**

**Founded in 2007 by Judith Jacob Sid, a native of Chennai, India, with a heart for freedom and justice, In April of 2007, Judith started Life Ministries Global with seven children rescued from the surrounding child labor camps.**

**Today, in 2020, over 1100 women and children have come through the rescuing hands of Life Ministries Global. Many women have been restored to the community with the trade, skill, and talent to provide income. We believe strongly in equipping both women and children with education, training, discipleship, and life skills to help launch them into a successful and blessed life.**

**Life Ministries Global and Judith Jacob are ministry partners with the Abigayle Initiative! We are so proud to partner with this exceptional organization. See photos below of Life Ministries Global!**
