NEWS RELEASE

Hook & Ladder Fire Rescue Products LLC. Is now the Ohio Representative for EVI, Emergency Vehicles Inc. of Lake Park Florida. EVI has 49 years of manufacturing custom built Specialty Vehicles for the public service community. EVI is based in a 50,000 square foot facility in Palm Beach County Florida employing 35 folks.

EVI manufactures custom vehicles for Police, Sheriff, Fire, EMS, Haz Mat, and any other application needing a custom built unit for your department. With over 3000 custom built Rescue and Specialty vehicles manufactured and in the field over the years EVI has the experience and knowledge to manufacture your next unit.

EVI concentrates their efforts on Rescue, SWAT, Command and similar style vehicles. They do not manufacture Engines, tankers, aerals or vehicles of this nature. EVI can install a pto pump and small booster tank on your rescue unit if needed. Customization is standard at Emergency Vehicles Inc.

Hook & Ladder Fire Rescue Products LLC. Is proud to add this line of product to our lineup and we hope to help you with designing your new rescue or specialty unit soon. Thank you.

Give us a call at 440.728.8684 or email dk@hookandladderfire.com for more information on anything you see in this newsletter.
