

Coconut Rehab Crème

2 oz.

Lightweight moisturizing crème infused with coconut water to help protect skin from free radicals.

Infuse your skin with protective hydration every day with our Coconut Rehab Crème. This luxe, lightweight moisturizer has a non-comedogenic formulation designed to help rejuvenate the look of your skin for a brighter, healthier looking you. Add our Coconut Rehab Crème to your daily routine and enjoy noticeable results over time!

Why we *love* it

- Glides on smooth and silky
- Lightweight and gentle enough for sensitive skin
- Refreshes skin with a quenching dose of moisture
- Designed to moisturize, soothe and protect
- Helps diminish dullness and helps even skin tone over time
- Easy to use for all skin types

Key ingredients

- **Coconut water** - excellent source of vitamins and nutrients.
- **Squalane** - a natural emollient; helps to smooth skin and provides anti-aging benefits.
- **Cupuacu butter** - natural source of hydration and protection for the skin against environmental aggressors.

How to use it

Apply to face, neck and décolletage after using serum and eye crème.

Perfect paired with

- Prebiotic Facial Wash
- Prebiotic Facial Mist
