

# Watermelon Cucumber Tonic

2 oz.

*A refreshing, rejuvenating watermelon cucumber facial mist and toner.*

Spritz on a boost of refreshing, rejuvenating hydration whenever you please with our Watermelon Cucumber Tonic. This soothing facial spray and toner features cooling cucumber water to help hydrate your skin, watermelon extract to brighten and plant-based hyaluronic acid to help address the premature signs of aging. Pop this spray in the refrigerator for a cooling, soothing way to boost your daily skincare routine.

## Why we love it

- Refreshing watermelon cucumber formulation
- Gives your skin a boost of cooling hydration
- Formulated with anti-aging properties
- Ideal for dry or sensitive skin

## Key ingredients

- **Watermelon extract** - provides brightening properties.
- **Cucumber water** - adds a boost of skin quenching hydration.
- **Plant-based hyaluronic acid** - creates a plumping effect and helps to improve the appearance of wrinkles and fine lines.

## How to use it

Shake well before use after cleansing or throughout the day.

Spray onto a cotton pad or mist directly onto face for a refreshing pick-me-up.

Store in the refrigerator for an added cooling sensation.

## Perfect paired with

- Anti-Aging Cleansing Oil
- Gentle Face Crème
- Anti-Aging Oil Serum
- Hydrating Eye Crème
