

Prebiotic Facial Wash

4 oz.

A pH-balanced facial cleansing gel formulated to help clean away makeup without damaging the skin's natural microbiome.

Gently clean away the day while improving the appearance of your skin with our Prebiotic Facial Wash. This ph-balanced cleansing gel is designed to cleanly wash away makeup and dirt from your face without stripping away the beneficial bacteria present on your skin. Sea kelp helps to improve the texture and appearance of your skin while chamomile soothes to create a truly spa-like sensation whenever you wash your face!

Why we *love* it

- Gentle, natural facial cleanser
- Helps preserve the microbiome present on your skin
- Effectively washes away makeup, dirt and oil
- Ideal for all skin types

Key ingredients

- **Sea kelp** - helps improve texture and balance the natural microbiome of the skin.
- **Chamomile** - natural herb that helps to soothe skin and reduce damage from free radicals.
- **Coconut oil** - offers moisturizing and softening benefits.

How to use it

Apply a generous amount to our **Silicone Face Scrubber**.

Gently apply in a circular motion to wet skin.

Rinse thoroughly with warm water.

Perfect paired with

- Prebiotic Facial Mist
- Coconut Rehab Crème

Ingredients

aqua (water), cocos nucifera (coconut) oil, glycerin (plant-derived), barbadensis (aloevera) gel, sea salt, algin (kelp), anthemis nobilis* (chamomile) extract, citric acid *organic
