

Microdermabrasion Crème

1 oz.

A gentle, weekly at-home exfoliating treatment free from harsh chemicals.

Instantly reveal softer, more radiant, and refreshed skin when you add our Microdermabrasion Crème to your weekly skincare routine! Our Microdermabrasion Crème features a natural-based formula free from harsh chemicals and contains suspended volcanic micro-crystals to help buff away dead skin and reveal a brighter looking complexion. Green tea, vitamin C and chamomile help to soothe, brighten, and calm the skin so you can feel refreshed, glowing and ready to face the week.

Why we love it

- Non-abrasive, creamy formulation
- Achieve a luminous, more even looking complexion
- Micro-crystals gently remove dry skin
- Easy to use in the shower or at the bathroom sink

Key ingredients

- **Volcanic micro-crystals** - a natural, deep exfoliant that helps remove dead skin cells, leaving you feeling radiant and refreshed.
- **Green tea** - rich in vitamin B2, vitamin E and antioxidants for healthy looking skin.
- **Chamomile** - natural herb that helps to soothe skin and visibly reduce free radical damage.

How to use it

- Use 1-2x a week as part of your skincare regimen.
- Gently massage a dime sized amount of creme in an upwards, circular motion onto damp skin.
- After rinsing off, pat dry with a towel before applying skin care products.

Perfect paired with

- Brilliantly Brightening Collection
