

Targeted spot treatment helps reduce the appearance of blemishes and redness. The lightweight gel has a blend of clove essential oil and willow bark extract to protect, without drying out or irritating skin.

Spot Treatment

10 ml.

*Targeted blemish treatment
for morning or night.*

Banish blemishes from sun up to sun down with our gentle targeted treatment! This anti-blemish spot serum is formulated with a blend of natural ingredients to help temporarily relieve the appearance of redness and address your complexion concerns. This non-drying, non-irritating formula is fortified with colloidal silver to help you calm and soothe your skin.

ALL SKIN TYPES

Why we *love* it

- Transparent gel won't show underneath makeup
- Non-drying formula won't cause irritations
- Offers quick relief without making skin flake or sting
- Natural formula and easy to use

Key ingredients

- **Witch hazel** - helps to balance skin and encourages a clear complexion.
- **Willow bark extract and clove bud oil** - helps minimize the appearance of pores and creates a healthy balance of natural oils.
- **Colloidal silver** - helps temporarily reduce the appearance of redness in targeted areas and promotes overall skin health.

How to use it

After cleansing your face, dot a small amount with the tips of your fingers onto affected areas. Allow to dry for a few minutes before following up with skincare products or makeup. Use twice daily for best results.

Perfect paired with

- Beautifully Balanced Collection
- Simple Skin Collection
- Prebiotic Facial Wash
