

# Prebiotic Facial Mist

4 oz.

*Refreshing facial mist formulated to hydrate, rejuvenate and improve the texture of your skin.*

Refresh your skin throughout the day with our Prebiotic Facial Mist. Formulated to hydrate and rejuvenate without disturbing your skin's microbiome, our prebiotic formulation helps to balance natural oils while improving the texture of your skin. Add our Prebiotic Facial Mist to your simple skin routine and reveal a fresher, more moisturized looking complexion!

## Why we love it

- Helps to hydrate and rejuvenate skin
- Balances natural oils and helps to improve texture
- Alcohol-free formula won't dry out your skin
- Ideal for all skin types

## Key ingredients

- **Aloe** - soothing and calming plant-based moisturizer with protective benefits.
- **Sea kelp** - offers plant-based prebiotic properties to balance your skin's natural microbiome.

## How to use it

Spritz on bare skin morning, night or throughout the day for an instant boost of refreshing moisture.

**APPLICATION TIP:** Close or shield eyes and spray on face or décolletage, or spray onto a cotton pad and then apply to face.

## Perfect paired with

- Prebiotic Facial Wash
- Coconut Rehab Crème

## Ingredients

aqua (water), cocos nucifera (coconut) oil, barbadensis (aloe vera) gel, algin (kelp), lecithin, citric acid
