This luxurious elixir offers the perfect way to infuse your skincare routine with botanically beautiful ingredients you'll feel good about. Address the signs of aging and pamper yourself with our Apple Elixir Serum and reveal more moisturized, beautiful skin.

## Why we *love* it

- Luxurious, ultra-hydrating serum
- Antioxidant-rich ingredients
- Helps address the signs of aging
- Ideal for normal, dry and combination skin

## Key ingredients

- **Apple stem cells** - derived from Swiss apples to help increase skin's vitality and improve the signs of aging.
- **10% hyaluronic acid** - hydrates and helps to improve the appearance of wrinkles and fine lines.
- **Green tea** - helps protect the skin, controls oil and provides antioxidant properties.

## How to use it

Apply 3-4 drops onto cleansed skin morning or night.

Press gently onto face, neck and décolletage; wait a few minutes and apply face crème afterwards.

Avoid eye contact.

## Perfect paired with

- Rose Water Facial Mist
- Hydrating Rose Facial Wash
- Botanical Face Crème
- Collagen Eye Crème
