

# Botanical Face Crème

1.7 oz.

*Anti-aging, firming skin crème formulated with a boost of nourishing botanicals.*

Provide instant relief to dry and delicate skin with our moisturizing Botanical Face Crème. Formulated with a proprietary blend of natural plant butters and extracts, this everyday moisturizer is designed to gently help improve the appearance of skin tone and reveal a softer, smoother complexion. Our face crème helps lock in moisture for supple skin that lasts all day and is the perfect addition to your self-care routine.

## Why we *love* it

- Lightweight, creamy moisturizer
- Won't leave an oily residue
- Great for normal, dry or combination skin
- Fresh botanical essence
- Easy to use

## Key ingredients

- **Mango butter and jojoba oil** - gently softens and improves the appearance of firmness
- **Evening primrose and aloe vera** - help curb unevenness and dryness.
- **Chamomile, willow bark and lavender** - aids in calming skin.
- **Pomegranate extract, Vitamin E and allantoin** - help boost free radical protection with antioxidants.

## How to use it

Apply morning and night to cleansed face, neck and décolletage.

Layer onto skin after applying face serum and eye products.
