Formulated with natural oil-based botanicals, this serum is designed to address the signs of premature aging to leave you with smoother, softer, more supple looking skin. Add this serum to your soothing skin routine and enjoy a more youthful looking you!

## Why we love it

- Multi tasking all natural oil infused with beneficial botanicals
- Antioxidant rich formula guards against free radicals
- Helps improve the signs of premature aging
- Ideal for normal, dry and sensitive skin

## Key ingredients

- **Argan oil** - gentle, protective plant-based moisturizer rich in Vitamin E.
- **Organic avocado oil** - gentle plant-based moisturizer that inspires rejuvenated skin.
- **Apricot kernel oil** – antioxidant-rich; helps replenish moisture to the skin and guard against free radicals.
- **Essential oil blend of geranium, palmarosa and neroli** - boosts luminosity and helps decrease the appearance of fine lines and wrinkles.

## How to use it

Use morning and night.

Apply serum on cleansed skin before moisturizer, including neck and décolletage.

For an extra boost of hydration, add a few drops to your moisturizer.

## Perfect paired with

- Anti-Aging Cleansing Oil
