

# Exfoliating Facial Wash

4 oz.

*Cleanse and polish in one refreshing step.*

Reveal your skin's natural radiance with this gentle two-in-one cleanser and exfoliator. The gel-to-lather formula uses plant-derived ingredients and jojoba beads to sweep away dullness, while calming botanicals help soothe, clarify and refresh. It's the perfect way to keep your complexion clear, smooth and balanced without over-drying.

## Why we *love* it

- Cleanses and exfoliates in a single step
- Gently buffs away dead skin cells and impurities
- Helps calm irritation and reduce the appearance of redness
- Supports balanced, refreshed and radiant skin
- Naturally scented with peppermint for a cooling experience

## Key ingredients

- **Jojoba beads** – gently exfoliate without damaging the skin barrier.
- **Witch hazel** – tones and calms the skin while visibly minimizing pores.
- **Calendula & willow bark extracts** – help soothe irritation and reduce the appearance of redness.
- **Peppermint oil** – adds a refreshing, cooling sensation and invigorates the skin.

## How to use it

Dispense a few drops into your palm, mix with water, and massage onto skin in circular motions to activate lather and exfoliate. Use 2–3 times per week, or as needed, depending on your skin type.

## Perfect paired with

- Tea Tree Facial Mist
- Tea Tree Face Creme
- Brightening Banana Facial Mask
- Spot Treatment

## Ingredients
