

Peptide Facial Wash

4 oz.

Peptide-powered cleanser to wash away impurities, support hydration and refresh complexion.

A soothing daily cleanser that lifts away impurities while hydrating and balancing skin. With moisturizing hemp seed oil and provitamin B5, peptide-powered skin support and plant-based exfoliants, this formula keeps normal to dry skin soft, smooth and glowing—never stripped.

Why we love it

- Removes impurities without drying or tightness
- Hydrates and soothes with plant-based moisturizers
- Visibly refines pores and smooths texture
- Peptide-enriched to support skin firmness
- Antioxidant-rich to help defend against environmental stress

Key ingredients

- **Hemp seed oil** – rich in essential fatty acids, it deeply moisturizes and helps calm dry or skin.
- **Provitamin B5 (panthenol)** – draws in moisture and supports the skin barrier.
- **Hexapeptide-11** – a bioactive peptide that helps visibly improve elasticity and tone while reinforcing skin resilience.
- **Quinoa and green tea extracts** – soothes, hydrates and protects against free radicals.
- **Salicylic acid + willow bark** – a gentle exfoliating pair that helps clear pores, refine texture and reduce the appearance of blemishes, without over drying.

How to use it

Massage a dime-sized amount onto damp skin using circular motions. Rinse thoroughly with warm water. Depending on your skin's needs, use once or twice daily.

Perfect paired with

- Peptide Renewal Toner
- Botanical Face Crème
- Overnight Glow Treatment
