

Banana Facial Oil

1 oz.

Pure and simple banana oil nourishes and restores skin's natural beauty.

Your skin will go bananas over this golden elixir. This pure and simple, nutrient-rich lightweight oil nourishes and rejuvenates for a radiant, dewy complexion. Our Banana Facial Oil is produced using a multi-step process that integrates the nutritive benefits of cold-pressed banana seed oil with the benefits of infused banana peels. The banana seed is cold pressed and the oil is collected. From there banana peels are immersed in the banana seed oil to extract its lipid soluble components.

Why we *love* it

- Lightweight, silky texture that glides across skin
- Packed with antioxidants and vitamins
- Preservative-free pure oil that leaves a fresh, light banana essence
- Ideal for all skin types

Key ingredients

- **Banana fruit extract**– contains pro Vitamin A and antioxidants that calm, soften the appearance of fine lines and brighten skin.
- **Banana seed oil** - contains Vitamin B and C, hydrating fatty acids for improved skin texture.

How to use it

Apply to cleansed skin and allow to soak in for a few minutes before applying moisturizer.

Cocktail it with your favorite moisturizer or serum to add extra moisturizing benefits.

Evenly distribute over face and neck, using upward strokes to apply.

Add it to body moisturizers for additional hydration and a light banana essence.

Perfect paired with

- Brilliantly Brightening, Hydration Heroes, Gentle Solutions and Simple Skin Collections
- Brightening Banana Facial Mask
- Vitamin C Face Crème or Coconut Rehab Crème

Ingredients

musa paradisiaca (banana) seed oil, musa paradisiaca (banana) fruit extract
