

“When I graduated Holmdel High School in 1995, I dreamed of returning home some day to raise my family. Eight years ago, that dream was realized when my wife Danielle and I moved back to Holmdel with our three sons.

Since then, I've had the privilege of serving our community in a variety of ways—affording me the opportunity to meet many of you and understand the needs of our residents. I will do all I can to earn your vote and serve our community with honor.
