# FIND YOUR AUTHORIZED CONTRACTOR TODAY

Our goal is to provide you with quality paver & wall products for your project. We understand that it's a large investment. If you need help with finding the right contractor for your project, we can help. Our goal is to recommend qualified, knowledgeable, authorized hardscape contractors. The hardscape contractors found on our Flagstone Pavers Authorized Contractor list have shown a proven knowledge on the basics of paver and retaining wall construction and installation. Each company listed

has at least one individual on staff that has attended our training course and passed our Authorization Exam.

While we try our best to recommend qualified contractors for your project, Flagstone Pavers does not guarantee the workmanship of the installer. Please ask your selected contractor for references and about any warranty or guarantees they might provide on workmanship.

## FOLLOW THESE STEPS TO SELECT THE IDEAL CONTRACTOR TO BRING YOUR PROJECT TO LIFE.

### STEP ONE

It's always a good idea to interview several contractors and find the best match for your project and personality. Make sure you have a good rapport with the person and communicate your wants and needs.

### STEP TWO

Once you decide on the work you want to complete, confirm that the contractor has experience by asking for photos, references, or examples of other projects they have completed to make sure you feel confident with their quality of work.

Make sure to ask if they are an Flagstone Authorized Contractor.

### STEP THREE

Once you award the project to a specific contractor, obtain a written contract of the work to be performed. Make sure you understand the scope of your project and if changes could result in additional costs.

### STEP FOUR

Once your project is complete, we would love to see the finished product! Photos can be submitted to [photos@flagstonepavers.com](mailto:photos@flagstonepavers.com). Photos may be used in social media or future catalog publications.

Utilize our network of authorized contractors and dealers to build your happy place
