

Planning with the 5 Steps

Note: This document is for illustrative purposes and can function as a medium term plan or a lesson plan – it is not suggested that planning necessarily needs to be written in this format as some of the steps will be internalised and may not need recording. Each school determines its preferred planning format.

Class	Subject and summary of learning question / outcomes	Date
Step 1: What are the start and end points of the learning?		
Step 2: What are the subject progress steps in between the start and end points?		
Step 3: What are the main teaching strategies to achieve the progress?		
Step 4: What feedback will pupils need, and what feedback will you need from them?		
Step 5: How will you evaluate the learning?
