

## The Drever Association of America joins Good Dog as an official Club Partner in Good Dog's Club Partnership Program!

January 30, 2021

[Good Dog](#) is thrilled to announce that the **Drever Association of America (DAA)** will be joining Good Dog as an official Club Partner!

Good Dog is inspired by the DAA and their continuous efforts in advancing and protecting the very rare Drever breed. The DAA works to promote the Drever by educating and informing the public about the breed's standard and rich history. We established the [Club Partnership Program](#) to support our Club Partners, like the DAA, in their crucial efforts to build a better world for our dogs.

### Drever Association of America

As an official Club Partner, the DAA will **receive an annual grant**, Club recognition on the Good Dog website, priority status offered to DAA members who apply to Good Dog, and much more! **The DAA will use their annual grant for educational purposes as part of their commitment to inform the public about this rare breed.** Additionally, the grant will be used to collect DNA in order to establish a reference population for breed identification of the Drever.

Join Good Dog to help change the conversation and support the good forces in the dog world – give dog breeders the recognition they deserve and make the world a better place for our dogs and the people who love them. [Click here to join Good Dog today!](#)
