

SOUTHERN CHESTER COUNTY EMERGENCY MEDICAL SERVICES, INC.
MEDIC 94
MONTHLY MUNICIPAL REPORT **JULY 2022**

MISSION:

To deliver leading-edge, quality, pre-hospital, regional, advanced life support emergency medical services designed to dynamically meet the needs of the citizens and visitors of our communities, through a unified team of caring professionals with an overriding goal of improving patient outcomes.

Call Volume and Activity (through 30 June)

Total # of EMS Incidents for the month **263**

Total # of EMS Incidents YTD **1616**

Total # of Dual Paramedic Incidents for the month: **40***

Total # of Dual Paramedic Incidents YTD: **199***

Total # of EMS Transports for the month **163**

Total # of EMS Transports YTD **996**

Total # of Cancelled Calls for the month **60**

Average Scene Time: (Time from arrival on scene until depart scene): **15 minutes**

Average Total Call Time: (Average from dispatch to available-all calls): **74.9 minutes**

Average Call Time when patient transported: **111.2 minutes**

CORPORATE NEWS

- The SCCEMS Board of Directors will hold its next meeting 21 August. That meeting will include a presentation by Christiana Care on their plans for the former Jennersville Hospital
- SCCEMS along with other EMS agencies held a meeting moderated by the Chester County EMS Council regarding the loss of advanced life support services in the Coatesville Rt 30 corridor with the announcement by Tower Health that they are moving all MEDIC 93 units to the Elverson area. That decision will have an impact on the surrounding services as there will be increased use of surrounding ALS units or existing basic life support services upgrading to the ALS level. SCCEMS has a Board subcommittee looking at the impact on existing MEDIC 94 services.

FUTURE CHRISTIANA CARE-WEST GROVE

Southern Chester County EMS-MEDIC 94 continues to communicate with Christiana Care as they develop and announce their plans for the former Jennersville Hospital. The sale of the hospital closed the week of 7/4. We have met multiple times with representatives of Christian Care. They are very interested in learning how the hospital can best meet the needs of the community.

At this time, we have a verbal agreement that we can remain at our hospital facilities. The timeframe and specific lease agreement will be worked out in the future.

We fully expect a strong partnership between Christiana Care and SCCEMS as well as the entire southern Chester County EMS community.

We look forward to the announcement of their plans and timetable for the hospital. Our Board will be receiving a briefing from representatives of Christiana Care at our August meeting.

Jan-June Hospital Closing Financial Impact on SCCEMS

Additional Staffing Costs:	\$52,426
Additional Fuel Costs	\$ 8,072
Additional Supply Costs	\$ 6,000
Additional Capital	\$ 0
Moving Expenses	<u>\$ 0</u>
	\$66,498

- These are unreimbursed costs funded from our savings.
- The supplemental funding request was emailed to all municipalities in early July.

CHESTER COUNTY ARP GRANT REQUEST

We are awaiting the review and decision by Chester County regarding the Penn Township Grant request to fund a new building for MEDIC 94. That decision is expected in mid-August.

OPERATIONS NEWS

180 days in, we have been able to summarize the operational impact of the hospital's closing.

16% increase in call volume

15% of dispatches handled by 3rd staffed unit staffing

10% increase in patients transported

20% increase in average call time

32% increase call time/ transport

39% increase vehicle mileage

63 vs 76 minutes

85 vs 112 minutes

NEW MEDIC 94 UNIT IN SERVICE

SCCEMS-MEDIC 94 is placing into service a 2022 Ford Explorer Paramedic Squad unit. The Pennsylvania Department of Health licensed unit was purchased under state contract from New Holland Ford and upfitted by 10-8 Upfitters in New Holland. Graphics are by Fitch Graphics.

This unit will be based at our Jennersville station running as MEDIC 941 and should serve the community for the next 8 years. It replaces a 2014 paramedic squad with over 150,000 miles. Special thanks to Paramedic John Ryan for his graphics design and vehicle specs.

Total cost of the vehicle was \$60,000.

We could not operate without the financial support of our municipal partners. Thank You!
