* For the above referenced email addresses only, please ensure you strictly follow these guidelines:

- The subject line of the email address **MUST** begin with the Debtor(s)' case number (with or without a hyphen) and should be followed by a space and then the Debtor(s)' name (e.g. 14-30000 Smith). ***Please do not include any punctuation in the subject line of the email.*** If this order is not followed, you will get an email notification indicating their message was rejected for not containing a valid 7 digit case number. You may continue to put any other information you deem necessary/appropriate in the body of the email.
- You **MUST** include a PDF attachment to the email. Further, the document(s) being submitted must be combined into a SINGLE pdf attachment. If an attachment is not detected, you will get an email notification indicating the message was rejected for this reason. **Also please note that while the system will not reject an email that contains multiple attachments, it will only recognize and maintain the first attachment**
