

## From Our President

Greetings, NCMA Jacksonville Chapter!

First off, I would like to extend my gratitude to Jim Krause for his presentation on the 10 Worst Federal Contracting Mistakes at the April luncheon. Additionally, I would like to thank Crowley for hosting our event. Speaking of Jim Krause, I am delighted to announce that Jim has recently been awarded NCMA's Fellow designation. The Fellow designation recognizes individuals who have made significant contributions to the field of contracting and to NCMA. It is the second highest award given by the association. Congratulations, Jim!

I would also like to take this opportunity to encourage interested parties to participate in our upcoming "Reverse Trade Show." On May 15th, the chapter will be hosting a "Reverse Trade Show" at UNF. This will be an excellent opportunity for Government and Industry to share capabilities and needs in a free-form matchmaking environment.
