

From Our President

Greetings, NCMA Jacksonville!

I hope everyone is safe and well as we continue to adapt to our current circumstances. I am hopeful that normal chapter activities can resume at the beginning of the new program year in July. For now, chapter activities will continue to be limited through the end of June. The Jacksonville chapter will continue to publicize virtual opportunities as they become available. I would like to personally express my gratitude to all the individuals providing essential services for our community during this difficult time.

On a bright note, I would like to congratulate our incoming Chapter Officers for the 2020 – 2021 program year!

- President – Wanda Wallace
- VP of Education – Linda Hosey
- Membership Chair – Bill Swan
- Programs Chair – Mike Scuteri
- Secretary – Howard Wright
- Treasurer – Rozina Mehertu
- Media Manager – Amy Halter

Thank you for stepping up and volunteering your valuable time and effort. The Jacksonville Chapter would not be able to function without these dedicated members.

Mike Groeger, CFCM
President
