

From Our President

Greetings, NCMA Jacksonville Chapter!

I would like to take a moment to draw your attention to the next event on our chapter calendar. On September 19th, Crowley will be hosting our monthly luncheon with the topic "Commercial Item Acquisition with the DOD – A New and Improved Outlook." If you have not attended a chapter luncheon in a while, I encourage you to register and take part in a great opportunity for networking and training. In our busy schedule, it is nice to have a venue to collaborate with our local contracts community.

Mike Groeger, CFCM

President
